Jefferson Press, United States, 2007. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book. A satirical play on the bestselling book *The World is Flat* by Thomas Friedman, this book takes a humorous approach to social issues facing the conflicted, contemporary south. Tackling everything from crystal meth abuse and obesity to sexual misconduct, it blends sarcasm with outspoken insight that will make readers laugh in spite of it all. This unrestrained, humorous take on life in the 21st-century south will delight both native southerners and those who simply love the land below the Mason-Dixon Line.
