Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

THE WOMAN WITH UNDEVELOPED CHARACTER: TRANSFORMING MY LIFE (PAPERBACK)

AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The woman with undeveloped character is the story about my life which has itself been characterized by constant, but pleasant change and personal growth in Christ. My purpose for writing my life story is to let you know that God specializes in doing things that seem impossible. Matthew 19:26 tells us, What is impossible with man is possible with God. When my mother carried me in the womb, she met with a traumatic experience that damaged me in many different ways. She was frightened to the point that she feared not being able to carry me full term. The hardship, uncertainty, and despair of the pregnancy, were precursors for other aspects of my life which were yet to come. A difficult start indeed. It is my desire that you will be inspired and uplifted by my experience and that your faith will grow to the point where you can trust the Lord for anything you need. My desire is also that you will be so blessed until you too will have a testimony. God has performed many miracles in my life. I m trusting that He will do the same for you. In my struggle to develop and to overcome my handicaps, and to come of age, I managed with God s help to marry and give birth to seven children. I also suffered several major illnesses and survived many operations, as well as several accidents. In the midst of my trials and tribulations, I met Christ at the age of 21. He touched me. He touched every trying situation that plagued me. He caused every adverse situation to work out for my good. I learned to praise Him in every situation....
