BROADWAY BOOKS, United States, 2005. Paperback. Condition: New. Galilee.. Language: English . Brand New Book. A quirky and quick-witted girl moves to Manhattan and holds on for dear life. Emily Hinton needs out. She comes from a small town in California where the church handbell choir concert passes for a decent way to spend a Saturday and she s known all the boys since kindergarten. She dreams of sophisticated people, love, and Louis Vuitton. When she lands a job at the world-famous publishing house Morrow Sons in New York, she knows that she is finally on her way. She packs her bags, says good-bye, and sets out for Manhattan, where she will fit in, even if it kills her. Her uncertainty about her feelings escalates when one of the hometown boys she left behind reappears in her life. Emily s days at the office are also becoming complicated: an ambitious editor is breaking all the rules to publish a controversial book that demeans everything she believes in. Will she stand up for what she knows is right and risk losing it all? Balancing her passion for the glamour of New York City with her determination to live by her morals turns out to be much more difficult than Emily ever imagined. Her roundabout quest for happiness will endear her to anyone who has ever dreamed of...
