

## Building Dances: A Guide to Putting Movements Together (Mixed media product)

By Ms Susan McGreevy-Nichols, Ms Helene Scheff, Ms Marty Sprague

Human Kinetics Publishers, United States, 2004. Mixed media product. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book. For years, K-12 teachers have been relying on the invaluable tools and blueprints in Building Dances and Building More Dances to help their students put movements together. Now, with Building Dances, Second Edition, the original text has been significantly expanded and updated to give you even more tools to guide your students as they experiment with the creative process—even if you've never taught or choreographed dance. Like the earlier books, this guide puts you in the role of facilitator rather than demonstrator. Using the dance construction models provided, you'll explain the material, teach the necessary skills, direct the action, and assess the outcomes . . . letting your students focus on the creative work. Building Dances, Second Edition, follows the same winning approach that made the first edition so popular. It takes you step by step through the choreographic process, with sample lesson plans, warm-up ideas, and seven easy steps to follow when building a dance, plus even more great material: -A convenient, expanded, ready-to-use deck of Deal-A-Dance cards -Updated dance-building activities, called Dance...
