Createspace. Paperback. Condition: New. This item is printed on demand. 90 pages. DNA Activation is an intent-based conscious spiritual journey for those who seek to explore the multidimensional realms of time, space and beyond. This book is an integral guide for working with the musical soundscapes by Shapeshifter to enhance ones understanding of the DNA Activation process using evolutionary sounds. These explorations will take you into the vibrational worlds of higher frequencies, connecting matter and the Divine. It is a declaration of strong intent to awaken ones dormant potentials within the multidimensional human DNA codex; activating aspects of the 97 junk DNA in the 2 strands as well as to consciously tap into the higher etheric strands - 12 strands and beyond. The process awakens healing abilities, ESP, intuitive and psychic abilities, creative expressions, conscious generation of synchronicities, miracles and the manifestation of Abundance on all levels. This book will expand your mind to new concepts and theories on the leading edge of consciousness explorations. Using a shamanic approach and a direct connection to Source vibration, this work is being released on the planet during the times of the great shift into a higher level of awareness throughout humanity. For those exploring the 2012 alignments along with walking a shamanic path of ascension, this book is a must read to help you in understanding how sound affects reality. This book contains more extensive information regarding Shapeshifters approach to DNA Activation through musicsoundfrequency as well as answers to many frequently asked questions regarding this topic. We present many different listening suggestions that you can use to incorporate these soundscapes into your life. Some of the common effects and benefits are listed along with some testimonials for our customers. We also share the history of our sound healing research and how utilizing...
