LITTLE LOTTO CHEAT SHEETS: A LOTTO WINNER S SPECIAL SYSTEM SHEETS TO REDUCE THE ODDS AND SAVE ON SYSTEMS ENTRY COSTS (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We all know that playing systems can increase your chances, but the official systems cost is prohibitive for many. This quick guide provides a number of compact sheets specially designed to dramatically increase your chances of winning, while cutting your costs when playing systems games Increase your Chances of Winning by Playing SmartThese systems increase your chances by allowing more systems games to be played using six number entries for much less than it costs for an official Lotto system, yet still being efficient. Works for most types of standard Lotto games around the world and including the Soccer Pools, much like a wheeling system.This book includes other essential information to help you pick your numbers, and by combining the power of the system you choose, and using the right number combination, your chances will skyrocket.Odds, Evens and CouplesNumber Blocks - and draws above 20Combining the MethodsAbout the Cheat SheetsUsing the Cheat SheetsSystem 9 Cheat SheetSystem 10 Cheat SheetSystem 12 Cheat SheetBigger Systems - About Stack and OverlayIf you are looking for a guarantee to win first division Lotto, don t buy this book. No one can guarantee a Lotto win, but these simple methods will dramatically increase your chances.This little book packs a lot of punch for a small investment and as Geoff says, I don t really need the money but I am tired of the Lotto folks making big profits at the expense of the little guy. Note: This book refers to creating bigger systems based on six-number entries, thus are not related to 5 number game minimums. Little refers to the small efficient systems used, not any official trade name that may be used in your State, e.g., not...
