

Pater to Forster, 1873-1924 (Paperback)

By Ruth Robbins

Palgrave MacMillan, United Kingdom, 2003. Paperback. Condition: New. 2003 ed.. Language: English . Brand New Book ***** Print on Demand *****.Was the late nineteenth century Victorian or modern ? Why did the New Woman disappear from literary history? Where did T. S. Eliot's poetics of the city come from? In this essential guide, Ruth Robbins explores an era often named an age of transition which exists uneasily between the apparent certainties of the Victorians and the advent of a Modernist aesthetics of instability. Robbins considers some of the central literary categories and themes of the period (decadence, realism, nostalgia, New Woman writing, degeneration, imperialism and early modernism) in writings by both major and minor writers, thereby creating a complex picture of transitions, continuities and breaks with the past. By examining this tumultuous era as an age in its own right, *Pater to Forster, 1873-1924* offers the reader a rather different history of the late Victorians and Modernists, and retells that history from a new perspective.

Reviews

This kind of pdf is almost everything and made me seeking forward and much more. It is actually packed with wisdom and knowledge You will not really feel monotony at whenever you want of your own time (that's what catalogs are for about when you question me).

-- **Martina Maggio**

This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who statte there was not a really worth studying. You are going to like the way the blogger publish this publication.
