Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Like in his earlier novel Headlong Hall, Peacock assembles a group of eccentrics, each with a single monomaniacal obsession, and derives humour and social satire from their various interactions and conversations. Peacock s novels are unlike those of other men: they are the genuine expressions of an original and independent mind. His reading and his thinking ran together; there is free quotation, free play of wit and satire, grace of invention too, but always unconventional. The story is always pleasant, although always secondary to the play of thought for which it gives occasion.
