Baby Professor, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. If your child would see geometry from a different light, do you think solving for area, perimeter and circumference would be easy? Of course, it would be! Like in all aspects of math, geometry requires plenty of practice. Use this workbook for hands-on exercises that are self-paced. Try to remove peer competition and time pressure and you might see the results you re looking for. Good luck!.
