Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Four Stages In Life. Have you wondered why people who grow up in similar circumstances can go on to have totally opposite perspectives? One person sees mud while the other sees stars. One sees the diamonds of life while the other sees only pressure. Though they share the same experiences, they do not share the same vision. Our imagination can be our greatest weapon. People who see stars in muddy situations and diamonds while going through pressure refuse to settle. They ve awakened to the fact that they are more than where they came from. They decided to climb into the driver s seat of life with a vision and a sense of determination. They will not be stopped until their goal is reached. There are four stages in life that will either keep you from achieving great things or propel you toward the life that you were born to live.
