Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Well paced, well-written, a romantic delight. -Lori Wilde, New York Times bestselling author The Garner brothers are poster boys for the ski resort town of Glory Junction, California. But as much as they love outdoor thrills, they know how to create indoor thrills, too . . . Colt Garner thrives on adrenaline. As Glory Junction s police chief and the co-owner of Garner Adventure, he knows where to find danger and excitement. Unfortunately his new neighbor, fussy, transplanted city girl Delaney Scott, is anything but a thrill, even if she is as gorgeously curved as a killer ski slope. They have nothing in common but a shared driveway they re arguing over . . . and a mutual attraction neither of them can fight. Starting over was not in designer Delaney s plans. But now that her rotten ex has walked away with the rights to her brand, she needs to reinvent herself, and fast. It s not easy with bold, brash Colt next door, too handsome for his own good, and, she s sure, too unreliable for hers. But as small town life throws them together again and again, Colt and Delaney find that simple romance may be the most exhilarating gamble of all . . .
