HarperCollins Publishers Inc, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. How did we go from John F. Historian Randall Balmer takes us on a tour of presidential religiosity in the last half of the twentieth century--from Kennedy s 1960 speech that proposed an almost absolute wall between American political and religious life to the soft religiosity of Lyndon B. Bush s overt Christian messages, Balmer reveals the role religion has played in the personal and political lives of these American presidents. Balmer tells the story of the politicization of religion in the last half of the twentieth century, as well as the religionization of our politics. He reflects on the implications of this shift, which have reverberated in both our religious and political worlds, and offers a new lens through which to see not only these...
