The Sequel to Delwyn of the Realms! Portal Stormer is a wild ride - to say the least! Delwyn has returned to Onesol and discovers that she must face her Last Sorrow before she can be properly initiated as a Portal Stormer. After mistaking her mission, she is given a second chance - and travels to Meditar (the realm of meditation) - after having met her fellow Stormers. They are a crazy bunch of characters from other worlds - bizarre and almost too much for Delwyn to handle. She discovers that she is to lead them in the war to end all wars - if she can successfully face her Last Sorrow in the realm of Nidar (the Underworld.) This realm is a place where nightmares hail from - a hellish place more frightening than the fire and brimstone stories she heard about on Aletheia (earth.) Follow Delwyn to Alusol (the realm of hallucinations), Meditar, Nidar and finally - the Akasha - where her initiation reveals a secret that shocks her to her very core! Meet the Urals - the rulers of the Realms; the Guardians of the Seven gates in Nidar; the Shadow of Pegasus - known as Paksir; the Portal Stormers - and many other strange entities! Greg is her anchor, but she must follow her destiny - or all will be lost - even their love! Can Delwyn overcome her childish ways and become the Stormer who will lead her troops into a war that could end in the total annihilation of the realms? Time is running out!.
