DATA EXCLUSIVITY FOR RX-TO-OTC SWITCHES IN EUROPE

Govi Verlag Mrz 2014, 2014. Taschenbuch. Condition: Neu. Neuware - Prescription-free medicinal products play an important role when it comes to providing people suffering from self-diagnosable and self-treatable diseases with safe and effective treatment options. The change of classification of medicinal products for human use from prescription to non-prescription status (commonly called Rx-to-OTC switch) is the key procedure when it comes to innovating and improving self-medication. The purpose thereof is to provide new and perhaps better options for self-medication,...

Reviews

A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.

-- **Dalton Mertz**

The very best pdf i at any time read through. This is for all those who statte there had not been a worthy of studying. You wont sense monotony at whenever you want of your own time (that's what catalogs are for concerning when you request me).
