iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is a growing culture war in today s society. On one side, people believe in abortion as the right to choose, that the universe is here by accident, and that homosexuality is okay. They believe that Jesus was only a prophet or a good man, but on the other side, the direct opposite beliefs are being made known. In this book, the Mississippi author gives a traditional biblical point of view into what is wrong with the most fought about controversial moral and social issues facing America today.
