Delegate minuscule tasks and focus on the big picture! This book contains proven steps and strategies on how to outsource everyday tasks that you have to get done in both your personal life and/or for your business. Do you have long to-do lists that you never seem to be able to complete? Are there tasks that you absolutely hate doing in or around your house? Are you an entrepreneur that struggles to get everything done to keep your business running efficiently? If so, then personal outsourcing may be able to make your life easier. Outsourcing your personal or business tasks can help make you more productive and allow you to concentrate on the aspects of your life or your business that mean the most to you. Learn what outsourcing is and how it can be applied in your personal and/or professional life to get maximum results with minimal effort. Reading this book you will: 1. What outsourcing is 2. Where to get started 3. What should be outsourced 4. Where to find assistants to outsource too 5. What to expect 6. Risks behind outsourcing "Outsourcing is fairly new to me. I read a blog post basically saying you can send out small tasks that are nothing but time consuming to a third party for a fraction of the cost. This really had me going ahead at work. Delegating small time hogging tasks to a third party so that I could focus on the more important tasks that were time sensitive. This book put me in the direction to do just that!" Arvind Chary "I used to focus on all the minor details. Thanks to outsourcing I now delegate the smaller tasks and empower my..."
