Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What s a mother to do, besides dishes and dinners and dirty laundry? Being a mom is one of the very best jobs a woman can have, but sometimes it would be nice to slip away for a conference with other moms, right? Grateful mom, and now grandmother, Margery Kisby Warder invites readers to a virtual retreat that fits any mom s schedule and nearly every budget. Margery believes we need never outgrow our imaginative gifts, so she s prepared a women s event that an attendee holds in her hands. Of course a few friends could gather while little ones are preoccupied and discuss what the virtual guest speakers told about their lives as mothers. Who wouldn t want to hear from Eve? From Mrs. Noah? How about listening to wealthy Sarah and the lessons she s learned after giving birth to Isaac when she s ninety? These celebrity women of the Bible will be the presenters - but if you put the book down, you can come back to the very last word she spoke. Why, that may even be almost as good as getting together with other gals for a ladies time away. The price of the ticket to this event is whatever you paid for the book. The worth? That depends upon how much you gather from the speakers, the author s comments, and the scriptures that are printed within the book for your easy access to them. Come on, get comfortable, the festival for women is about to begin and no one is going to take that spot reserved for you.
