Brand New Book ***** Print on Demand *****.If you love Fairy Doors and Fairy Houses - you will LOVE coloring in this delightful book full of full-page illustrations and sketches of tiny mystical, fantasy homes accompanied by flowers, animals, and other mystery creatures! This coloring book has an intensity of design in the illustrations of Fairy Houses and Doors, that allows the reader (and budding artist) to chose their favorite coloring illustration, and then use colored pencils, markers, acrylics, paints, or even crayons to add their own brilliant color combinations. Coloring books will never lose their appeal - whether you are a pre-kindergarten toddler to the mature adult who is looking for something simple to play with for a solitary pursuit that provides artistic pleasure. Coloring can be cathartic for those needing something that doesn t take a lot of analysis or thought, while allowing them to pick and chose their personal colors to create an artistic masterpiece. The pages of delightful Fairy abodes allow relaxation while you wile away the hours or the day in your own mind. There is no judgment here. Have fun. Use the baseline designs and sketches to play and have fun. If there are blank spaces, along the borders or inside the design, add your own lines and patterns.
