Mango Media Inc. Paperback. Condition: New. 226 pages. Dimensions: 8.0in. x 5.0in. x 0.5in.Its difficult to know where you stand in society these days. Luckily, writer Kelly Ritchie shows us 99 where we belong. For this satirical collection, Ritchie spent years studying the habits of both the 1 (the people we love to hate) and the other 99 percent (the people we are) in order to draw the line. She looked at charts, infographics and trends, like how owning a vacation home in Paris, not knowing how to fold laundry, or treating a plunger like modern art dcor may indicate you are in the 1. You, on the other hand, car-pool, stress over bills and contemplate wearing mismatched socks to work. . . so welcome to the club! A wonderful world where dreams die and taxes live. Its the sort of club where admission is free, but resigning comes at a steep price. The club doesnt come with an eighteen-hole golf course or an Olympic size pool. In fact, at the moment were so terribly over-crowded, all we can offer you a life-time supply of stress. Sorry. So console yourself and your friends with these clear 99 Signs You Are Not in the 1. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
