WestBow Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This tale was inspired to counter the current culture of evil plaguing our society, nation, and world. Throughout its pages, it points to Christ and faith as the only cure to these ills. The first story takes the reader back to ancient Scandinavia, around 700 AD, during an era of dragons and other evil creatures. It is a critical juncture in time for Christianity in Europe as pagans were converting to the saving faith. The primary clan or family is the O Grants and their kingdom, and it chronicles faith being handed down from one generation to the next. For historical intrigue, it also has the O Grants allied with real kingdoms and clans of that era, united in a common faith in their fight against common enemies. Real geographic destinations, including mountains, bring the story to life, and a special weapon is given to this clan that will intrigue young minds reading it. Even some survival tips are offered as our heroes face extreme elements. Parents will be reassured in knowing that Christ Jesus is mentioned over and over unapologetically as a rich source of comfort and hope and a reminder that He never lets us down when we put our faith in Him.
