

1776: A New Look at Revolutionary Williamsburg

By K M Kostyal, Lori Epstein Renda, Colonial Williamsburg Foundation

National Geographic Society. Hardback. Book Condition: new. BRAND NEW, 1776: A New Look at Revolutionary Williamsburg, K M Kostyal, Lori Epstein Renda, Colonial Williamsburg Foundation, Find yourself transported to Williamsburg in the days of the Revolution! See the city at war through the eyes of everyday citizens for an exciting new perspective on the historic year of 1776. The latest in the popular "New Look" line of history titles, K.M. Kostyal's "1776: A New Look at Revolutionary Williamsburg" combines new scholarship with rare, powerful photographs to take readers behind the scenes at Colonial Williamsburg. Stunning re-enactment photographs of America's "Revolutionary City" brings history vividly to life: The narrative goes beyond the story of the founding fathers to give a close-up look at how the war for independence played out for ordinary citizens such as women, blacksmiths, and enslaved people. Colonial Williamsburg scholars shed fresh light on this vital era in our history with the most recent research and analysis. The book's lively design combines with the compelling photography of modern-day Williamsburg's street theater and historic interpretation to transport readers back to the heyday of colonial times. Scenes from around the city include a milliner forced to pack up shop, children...
