Teen Mums R Us is about the story of 14 years old Ivy, who was bullied in her school (secondary). Ivy was a simple and naive teenage girl, who used to always be happy and bubbly before she began attending her new school. Going to secondary school was a dream come true for Ivy who had always been green with envy of her older sister, Shell, always thinking that her parents loved Shell more because she was a secondary school student. But Ivy's dreams of becoming a popular girl in school quickly ruined as the other girls started picking on her, simply because she was fat. And this led to Ivy suffering depression and self-loathing. Now a new chapter opens up in Ivy's life as she soon realised that her problems were only just beginning as she also had to face the wraths of her parents at home, who began to hassle her on whether to get rid of the pregnancy or not. This book tackles some of the main issues with teenagers in our society...
