Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: French . Brand New Book ***** Print on Demand *****. I Bucarest est une belle ville ou il semble que viennent se meler l'Orient et l'Occident. On est encore en Europe si l'on prend garde seulement a la situation geographique; mais on est deja en Asie si l'on s'en rapporte a certaines moeurs du pays, aux Turcs, aux Serbes et autres races macedoniennes dont on apercoit dans les rues de pittoresques specimens. Pourtant c'est un pays latin, les soldats romains qui coloniserent le pays avaient sans doute la pensee constamment tournee vers Rome, alors capitale du monde et chef-lieu de toutes les elegances. Cette nostalgie occidentale s'est transmise a leurs descendants les Roumains pensent sans cesse a une ville ou le luxe est naturel, ou la vie est joyeuse. Mais Rome est dechue de sa splendeur, la reine des cites a cede sa couronne a Paris et quoi d'etonnant que, par un phenomene atavique, la pensee des Roumains soit sans cesse tournee vers Paris, qui a si bien remplace Rome a la tete de l'univers !.
