Reviews

An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following. I finished reading this publication in which really modified me, modified the way I think.

This department of the college, which has been created and endowed by the act of Congress, and accepted by the legislature of this State, will, without question, be maintained as a permanent agricultural institution, provided the national appropriation is so applied in this and other States as to meet the approval of the intelligent farming public. In order that the Station organization shall be made on a permanent and progressive basis, such as shall meet not only present, but future needs, in a manner that shall insure the effective application of the funds appropriated, it is necessary to proceed slowly and deliberately at first. This is the reason why at the end of nearly a year s active existence, it is possible to report only a limited amount of actual experimental work begun, and still less so far completed as to report results. The erection of a building with its equipment of water, gas, apparatus and furniture, the purchase of the appliances for field and feeding experiments, and the special plans for the different departments of Station work have engrossed much time and thought. The inspection of fertilizers, which becomes more and more laborious each year, has also been carried on as usual. That which has been accomplished in these various directions, it is the purpose of this report to make clear, and it is hoped that what has been done as a beginning, in laying the foundations...
