## Reviews

*A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.*

## YES I UNDERSTAND AND WISH TO CONTINUE

Slope Editions, 2015. Paperback. Book Condition: New. 185 x 185 mm. Language: English . Brand New Book. Poetry. "If you like eating pipe bombs for breakfast and pissing off your friends, read these poems. If you don't like those things, read these poems. If you love everyone so much that it actually makes you sick, then definitely read these poems. This is a book one can love and hate in the very same breath. I'm having a hard time getting over it and I'm not sure I want to. It'll change you for the better. It'll make you a monster. I dare you." Matt Hart.
