By Nivaldo J. Tro

Pearson Education Limited, United Kingdom, 2014. Mixed media product. Condition: New. 5th edition. Language: N/A. Brand New Book. For one-semester courses in Preparatory Chemistry Make chemistry relevant to students Now in its fifth edition, Introductory Chemistry continues to foster deep engagement in the course by showing how chemistry manifests in students daily lives. Author Nivaldo Tro draws upon his classroom experience as an award-winning instructor to extend chemistry from the laboratory to the student s world, capturing student attention with relevant applications and a captivating writing style. This program provides a better teaching and learning experience-for you and your students. It will help you to: * * Enable deep conceptual understanding: Several new Conceptual Checkpoints and Self- Assessment Quizzes help students better grasp key concepts. * Foster development of problem-solving skills: A step-by-step framework encourages students to think logically rather than simply memorize formulas. Additional worked examples, enhanced with audio and video, reinforce challenging problems. * Encourage interest in chemistry: The inclusion of concrete examples of key ideas throughout the program keeps students engaged in the material. Personalize learning with (optional) MasteringChemistry (R): This data-validated online homework, tutorial, and assessment program helps students quickly master concepts, and enables instructors to provide timely intervention...
