

Evil in High Places: A True Story of Corruption and Cover Up (Paperback)

Filesize: 9.49 MB

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Mazie Johns IV)

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A true story of how I beat prescription drugs and depression by refocusing and becoming an Elvis Impersonator! A perfect example-conspiracy, fraud, defamation of character, abuse of power, and a cover up in a United States Government entity from 1987-2002. What can a person do? Hire a lawyer? File a Federal Lawsuit? What if that DOES NOT work? How does one get closure when they say NO APPEAL! This autobiography is a valid attempt to inform and prove that Americans are abused in the workplace, and oftentimes JUSTICE SEEMS IMPOSSIBLE! My fight was to preserve a livelihood and support my dysfunctional family! I was brought to the point of complete exhaustion and burnout after 10 years of harassment as an honest, caring civil servant, GS07. Because of corruption, nepotism, and other ACTS OF INJUSTICE, I was singled out to the point of a breakdown. I received a 20 YEAR HONORABLE DISCHARGE under false auspices which are VERY UNTRUE! Justice in the court system was impossible because lawyers, judges, and the people involved denied my right to be heard! WHY? AM I NOT PROTECTED BY THE CONSTITUTION OF THE UNITED STATES OF AMERICA? CAUTION: This book contains copies taken from my original medical records which have been falsified and copies from the original federal court proceedings proving that there is/was PERSECUTION IN THE PROMISED LAND. Robert Milton Bair, Jr. AKA Elvis Teddy Bair.
