

## That's Mine!

By Van Zeveren, Michel.

Gecko Press. 1 Cloth(s), 2013. hard. Book Condition: New. In the jungle, a little frog finds an egg. "That's mine!" he says. Then the snake wants his egg, and so does the eagle and the lizard, but when the egg hits the elephant on the head and he angrily demands to know who it belongs to, no one wants to own the egg anymore. Eventually, though, the egg will hatch and its occupant will have demands of his own. Belgian author-illustrator Michel Van Zeveren tells most of this story for readers and listeners 4 to 6 through the animals' dialogue, and against a minimalist jungle backdrop, his painted characters look like characters in a vintage animated feature. 32.
