Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.According to the Holy Scriptures, faith is a spiritual gift which is given by God for intended purposes. Although the concepts of these purposes are imbedded through out the entire Bible; the biblical meaning and usage of the word faith has been misunderstood and or distorted within the Body of Christ. The intentions of Real Faith are to biblically define faith while shinning the light of wisdom on these purposes; thus, awakening believers to their God ordained empowerment of faith.
