FABULOUS FOOD CONCEPTS

Luster Publishing Jun 2012, 2012. Buch. Condition: Neu. Neuware - This book contains an effervescent mix of sparkling and sustainable business concepts in the domain of food and drink. Despite the diverse range of companies featured, there is one thing which binds them: for all these brands, realizing ones ambitions goes hand in hand with a deep respect for the world in which we live. A respect which expresses itself in magnificently designed packaging, store architecture that changes depending on the location, or products that are healthy both for people and their environment. 168 pp. Englisch.
