VICTORY OVER CIRCUMSTANCES (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hi! I m Sandy Armistead, and this is a memoir about my life. I am a black man, 96 years old, with lots of good memories and interesting stories to tell. My grandfather was a slave. I am happy in my life and content with myself because I had great parents. My father was a good provider and worked for Ford Motor Company as a machinist. He was a wise man and a good teacher. Every night he would dress up for dinner-coat, tie, and shiny shoes. He made it a special event. He focused on us and made us feel like we were the most important people in the world to him. And I believe we were. My mother was a full-time homemaker, great cook, and a wonderful woman. We had a big family-four boys and four girls. I was the fifth oldest. Mama took in washing and ironing to help with the bills. She was always busy. When Mama made dinner, she circled the table, dishing out food til we all had our fill. Only then would she sit down. She was always the last to eat. Some of what I learned in life I don t see much in society today. I guess we ll get through it, but it sure would be nice if we could get back to some of the things that worked not that long ago.
