Morning Sky Studios, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The ant scurries on the counter, alone and the only remnant of its poisoned colony. Empathizing with the ant, Natalie ponders putting it out of its misery. As a scientist, she knows her flowcharts point to humankind's destruction: much like the ants, we polluted our colony too. Heading up one of a handful of secret labs, Natalie's mission to save humanity seems more like a cliché sci-fi movie than reality. Or maybe the world-weary views she possesses stem from her own bitter past. Knowing the final days of humanity approaches, Natalie plans for her revenge and escape. A dark tale of the world near death and one woman determined to survive against all the odds.
