The Berlin Wall Today is a richly illustrated full color book that takes the reader on a tour of the last traces and fading memories of the historic symbol of the Iron Curtain-to memorials, parks, hidden back yards, old train tracks, factory buildings, churches, and Prussian cemeteries. The Berlin Wall Today tells stories of struggle, desperation, survival, and rebirth and of a history that shaped the post-war world. It also shows how the people of Berlin are reclaiming and memorializing the ground where the Wall once stood: Mauer Park, where young people from all over world gather to party; a guard tower that is now the Museum of Forbidden Art; the Topography of Terror Museum, which includes the former Gestapo headquarters; and landmarks such as the Reichstag, the East Side Gallery, and Checkpoint Charlie. Numerous maps are included that lead the visitor from point to point.
