## Whispering With Animals

By Maryphyllis Horn

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 120 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. In her new book *Whispering With Animals* Maryphyllis shares stories of her telepathic experiences with both tame and wild animals. The stories provide a focus for Spirits message, i. e. , to give the world an additional voice on behalf of animals and nature. She always knew that non-human animals are intelligent in their own unique ways, but didnt realize how much that was so until she embarked on the research for this book. It was a project of delving into her own latent telepathic ability and peering more deeply into the eyes of the animals who came forward to let her get to know them in this way. She loves them all, wild or tame. She is also now seeing them differently from when this project began. The animal kingdom has as much importance, unique forms of intelligence and mission to be living on this planet as we humans do. This isnt readily apparent because animals speak from a quiet, deeper level than most of us are accustomed to: telepathy. Animals know the truth of a pleasant smile, whether...
