A much-needed expos written by a former member of the Seventh-day Adventist cultic organization of his own personal experience of recovering from their delusive power strugglings and falsified teachings. As a result, he has a great concern for those who are still in similar pseudo and quasi bondages, and desires to warn those who are unaware of these false gospel dangers. He prevailed through a death experience from being poisoned by an SDA sabbath school teacher, thus gaining enlightenment and insight of lifes equilibriums. After much diligent study and biblical research, He has been freed from their false teachings for the past 16 years, and within these pages shares the Altruistic Spiritual Truths which he and his God-given soul mate wife of nearly 20 years are now rejoicing in, with grateful thanksgiving to Almighty God! Great things the Lord has done! Hallelujah! This item ships from La Vergne, TN. Paperback.
