Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Proprietors of Carolina In June, 1578, when Queen Elizabeth I made a generous grant of New World territory to Sir Humphrey Gilbert, she included the area which has since become North Carolina. In return for the Queen s bountiful gift, Gilbert was to lead an expedition to America to destroy hostile Spanish fishing ?eets, take the West Indies from Spain, seize the gold and silver mines in the Spanish colonies, and make Elizabeth monarch of the seas. On his first trip to America, Gilbert was rebuffed by the Spanish, and he never returned from his second. His grant was renewed on March 24, 1584, in the name of his half-brother, Walter Raleigh, who was given authority to establish colonies and to govern them. Raleigh financed several expeditions to the New World including those which explored eastern North Carolina late in the sixteenth cen tury. The famous Lost Colony at Roanoke Island was Raleigh s last attempt to plant a settlement in America. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
