

## The Billionaire's Vinegar: The Mystery of the World's Most Expensive Bottle of Wine

By Wallace, Benjamin

Three Rivers Press, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Part detective story, part wine history, this is one juicy tale.as delicious as a true vintage Lafite." Business Week "Splendid.A delicious mystery that winds through musty European cellars, Jefferson-era France and Monticello, engravers' shops, a nuclear physics lab, rival auction houses and legendary multi-day tastings conducted by the shadowy German who had discovered the Jefferson collection.Ripe for Hollywood." USA Today "This is a gripping story, expertly handled by Benjamin Wallace who writes with wit and verve, drawing the reader into a subculture strewn with eccentrics and monomaniacs.Full of detail that will delight wine lovers. It will also appeal to anyone who merely savours a great tale, well told." The Economist "A page-turner.What makes Wallace's book worth reading is the way he fleshes out the tale with entertaining digressions into Jefferson's wine adventures, how to fake wines (who knew a shotgun blast could make a bottle look old?) and dead-on portraits of several major wine personalities who intersected unhappily with the wines." Bloomberg "Wallace's depiction of rabid oenophiles staging almost decadent events to swill rare wine, knowingly depleting the reserves, are as much...
