THE SCHOOL OF OBEDIENCE (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. School of Obedience brings Andrew Murray s passion for the spiritual well being of Christians to the page once again. As a powerful Christian writer Murray takes traditional Christian ideas about obedience, and casts a light on areas that show new and mature believers alike the true power and importance of obedience. This classic of Christian devotional literature, offers the wisdom of an influential 19th-century preacher and missionary on how why obedience to God is so vital for believers and how it nourishes one s faith. In clear, easy-to-understand language, this 1898 work discusses obedience and its place in Holy Scripture, the obedience of Christ and how it makes us righteous, the secret of true obedience, why study of the Bible is essential to true obedience, how faith powers obedience, and more. Murray s main point is that complete obedience, while impossible to practice, must be an absolute commitment on our part for us to walk in Christ. Though quite unassuming, the truths in this little gem are revolutionary, enriching, and deeply freeing. Applying these truths is a challenge to pride, self-sufficiency, and stubborn independence. Andrew Murray had the gift of disseminating complex Biblical truths into bite-sized bits that are easy to understand and digest. Another remarkable book by one of Christianity s great writers.
