

The Mark of Zion (Paperback)

By Stephen C Razor, Michael I N Dash

Wipf Stock Publishers, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Authors Stephen Razor and Michael Dash of The Interdenominational Theological Center faculty are uniquely prepared and positioned . . . Grounded in practical wisdom from their years of personal experience, scholarly research, and oversight of ministerial students, they have given us a truly and immanently useful report on African American congregational life at the new millennium. Razor and Dash record the views of leaders in 1,863 congregations in the black church tradition. Here for the first time, we can see the similarities between black churches and other major religious movements throughout the nation . . . In this profile we also see the bold uniqueness of the black church tradition, its energy and tenacity across generations and throughout America. --from the Foreword In *The Mark of Zion: Congregational Life in Black Churches*, the companion book to *The Shape of Zion: Leadership and Life in Black Churches*, Razor and Dash propose that the black experience in America offers a significant presence in the religious landscape of contemporary American society. In rural, urban, storefront, and mega-churches, African American congregations foster an inward...

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
