

## The Woman Who Wasn't There: The True Story of an Incredible Deception (Paperback)

By Robin Gaby Fisher

SIMON SCHUSTER, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The Woman Who Wasn't There is a riveting real-life mystery, a probe into the inner depths of humanity. This is a page-turner for every American (Star Tribune, Minneapolis). Tania Head's astonishing account of her experience on September 11, 2001, was a tale of loss and recovery, of courage and sorrow, of horror and inspiration. It transformed her into one of the great victims and heroes of that tragic day. But there was something very wrong with Tania's story--a terrible secret that would break the hearts and challenge the faith of all those she claimed to champion. Told with the unique insider perspective of Angelo J. Guglielmo, Jr., a filmmaker shooting a documentary on the efforts of the Survivors Network, and previously one of Tania's closest friends, The Woman Who Wasn't There is the story of one of the most audacious and bewildering quests for acclaim in recent memory--one that poses fascinating questions about the essence of morality and the human need for connection at any cost.
