

The Power of Positivity: Controlling Where the Ball Bounces

By Cornell Thomas

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 60 pages. Dimensions: 8.8in. x 5.9in. x 0.2in. After years of hard work and dedication, Cornell Thomas was only weeks away from playing professional basketball in Europe—a childhood dream come true. But after sustaining a career-ending injury, Cornell would have to walk away from that dream. . . only to discover something even bigger: his life purpose. Through the life lessons he learned growing up and the power of positive thinking, Cornell was able to rebound from the biggest loss in his career. Today he is helping thousands of people all over the country do the same, urging them to no longer ask, Why me but What now. The Power of Positivity is not just Cornell's story of perseverance; it serves as a how-to guide that offers a practical approach to dealing with adversity, pushing past CANT, and focusing on solutions not problems. The ball is in your hands—you control where it bounces!! This item ships from La Vergne, TN. Paperback.
