Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

Cameron has always been alone. There s no place for him in his nest, no room for him among his brothers friends, and no way he s going back to the blue academy that expelled him. But what happens to that solitude when Cameron meets another loner, one who actually sees him for who he is? SOLE is a love story, a glimpse into a quiet world. It s a fantastical link to Combs CORE SERIES. Find hidden information, clues, and facts about the dragon world that you won t find in the novels.
