## Red Families v. Blue Families Legal Polarization and the Creation of Culture

---

By June Carbone

Oxford University Press. Hardcover. Condition: New. 304 pages. Dimensions: 9.3in. x 6.2in. x 1.0in. Red Families v. Blue Families identifies a new family model geared for the post-industrial economy. Rooted in the urban middle class, the coasts and the blue states in the last three presidential elections, the Blue Family Paradigm emphasizes the importance of women's as well as men's workforce participation, egalitarian gender roles, and the delay of family formation until both parents are emotionally and financially ready. By contrast, the Red Family Paradigm--associated with the Bible Belt, the mountain west, and rural America--rejects these new family norms, viewing the change in moral and sexual values as a crisis. In this world, the prospect of teen childbirth is the necessary deterrent to premarital sex, marriage is a sacred undertaking between a man and a woman, and divorce is society's greatest moral challenge. Yet, the changing economy is rapidly eliminating the stable, blue collar jobs that have historically supported young families, and early marriage and childbearing derail the education needed to prosper. The result is that the areas of the country most committed to traditional values have the highest divorce and teen pregnancy rates, fueling greater calls to reinstall traditional values....
