Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.You never really understand the strength and freedom in being vulnerable, with how you feel about yourself and the things that happen in your life. This book tells the story about how i almost lost my life because i was willing to suffer in silence about the abuse. How as a single mother i had to hold my head up high to try to become mother and father to my children. Knowing that i was just minutes away from death every night. The closest people to me would only stare from the outside of my life never really willing to help me. Saying and doing things that would only pull me down. Do you have people in your current life that treat you this way. The enemy designed a plan to kill me from birth and if he failed to get me to kill myself. Plan b was to destroy my mind completely so that i would never reach my destiny. But by the grace of god i hope my testimony will be able to inspire change and hope in others.
