Ancient wisdoms have been passed down through the ages. These are old and universal concepts and practices gained through trial and error and accumulated by those brave souls seeking and thirsting for knowledge and wisdom. When we embark on our own personal journey and spiritual quest to find ourselves and attain knowledge, we will be met with many challenges, many obstacles, many triumphs and many disappointments. This book discusses many common sense principals and concepts that have been used by others in the pursuit of knowledge, success, wealth, health and happiness. As we move forward together we will explore what makes us fearful, happy, sad and apprehensive. We will discuss the things that motivate us to move forward toward achieving our goals and our dreams, and talk about the things that make it difficult for us to move forward and cause self-doubt and uncertainty. The road to building a life of happiness and success is a great journey. It was once said that A journey of a thousand miles begins with a single step by Lao-tzu the Chinese philosopher. You will make many decisions along the way and you will be met with indecision. You will find vast amounts of resources, guidance, support and people to guide you along the way. As you reach deep within yourself and explore the vast knowledge of the ages and attune yourself to the possibilities of discovering the cosmic storehouse of vast and still untapped knowledge of the universe, your mind will expand and you will grow and develop in mind and in spirit. Once you take control of your life, you will command the respect and admiration of others and you...
