Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

CRUSH

To get **Crush** PDF, remember to follow the button listed below and download the file or get access to additional information which are in conjunction with CRUSH ebook.

Orca Book Publishers. Paperback / softback. Book Condition: new. BRAND NEW, Crush, Carrie Mac, Isn't she fazed by any of this? Does she do this all the time? Make unsuspecting, seemingly straight girls squirm? Or am I making it all up? But making up what? The butterflies are real. The fact that I want to kiss her is real. Would kissing a girl be different from kissing boys? If all I did was kiss her would that make me queer? Are you queer just for thinking it? Or does doing it make you queer? And what if I don't want to be queer? Do I get a say in this at all? Because of a moment of indiscretion, Hope's parents send her to New York to spend the summer with her hipster sister while they travel to Thailand. Miserable, Hope ends up meeting Nat, and developing a powerful crush. The only problem is that Nat is a girl. Hope is pretty sure she isn't gay. Or is she? Struggling with new feelings, fitting in and a strange city far from home, Hope finds that love--and acceptance--comes in many different forms. Carrie Mac has also written Orca Soundings novel Charmed, and her teen novel, The Beckoners, is also available. She lives in Vancouver, British Columbia and has spent time in New York City.
