Sense Publishers, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This landmark book represents the first text to pay critical and sustained attention to Whiteness in Canada from an impressive line-up of leading scholars and activists. The burgeoning scholarship on Whiteness will benefit richly from this book s timely inclusion of the insights of Canadian scholars, educators, activists and others working for social justice within and through the educational system, with implications far beyond national borders. Naming Whiteness and White identity is a political project as much as an intellectual engagement, and the co-editors of this collection must be commended for creating the space for such naming to take place in public and academic discourses. Sefa Dei Professor and Chair, Department of Sociology and Equity Studies, Ontario Institute for Studies in Education of the University of Toronto (OISE/UT) The Great White North? provides a timely and important mode of addressing and examining the contradictions of Whiteness, and also challenging its insinuation into the very pores of the Canadian social universe....
