This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

Excerpt from Hendersons Wholesale Catalogue for Market Gardeners and Truck Farmers, 1923 The most severe test of an Onion is that which affects its keeping quality. In this respect Hendersons Genuine Southport Globe Onions are supreme. Years of selection, in which every bulb used for seed purposes has had to pass the critical eye of veteran experts have had no uncertain; effect on these, and they are today, beyond doubt, the best of all Onions. The difference in the respective sorts is mainly one of color. They have the same shape, which is almost globe shaped, and so thoroughly have the tops been bred that, when dried off, they disappear entirely, leaving a perfect symmetrical bulb, shapely, proportionate, and quite devoid of neck, the presence of which not only mars the appearance, but is a serious menace to the keeping quality.
