Sully Ward was excited about going away to college. A little worried, but mostly excited. He had no idea what an adventure was awaiting him. In San Antonio, Sully would find a friend, and lose him. He d find a mate, and lose him, too-but not for long. Bobby Baker knows he s a contrary wolf shifter. He likes things to be on his own terms, and even when good things happen, unless he s made the decision for them to happen, he can be a total ass. When he meets his mate, the connection is hot, scorchingly so. It still pisses him off, and he acts like a fool because of it. Sully won t let him go so easily-and neither will someone else. Someone is out to cause Bobby trouble, and they succeed in hurting someone Sully cares about when trying to get to Bobby. Unless they work together , they will lose the most precious thing in their world.
