

The Disciplines of Dowsing

By Tom Graves, Liz Poraj-Wilczynska

Tetradian, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Dowsing is a core skill throughout the alternative fields, especially in healing and in earth-mysteries studies - sensing patterns and energies in the landscape to extend our understanding of the past and provide practical value in the present. Yet whilst there are many introductory texts for beginners, there has been almost nothing that tackles the deeper disciplines of dowsing - the systematic practices and processes to take your skills beyond the beginner level. This book addresses that essential need. In a lighthearted, engaging and refreshingly open style, two of the most experienced dowsers in present-day earth-mysteries research - writer Tom Graves and archaeographer Liz Poraj-Wilczynska - explain what can and does go wrong in dowsing practice, and what to do to get it right. They guide you past the pitfalls that cause so many dowsing problems, and show you how to improve the reliability of your results. You ll explore how to: - use the Four Disciplines of Dowsing - artist, scientist, mystic and magician - switch between the disciplines in seamless practice - use psychology and physiology...
